

**Programme
features**

*EDP on HRM
Practices for
Healthcare*

**PROFESSIONAL
COACHING**

Each participant is assigned a professional, personal coach for the programme. This creates an opportunity for a deep introspective process which creates a strong bond between student and faculty.

**TEACHING
METHODOLOGIES**

Teaching is delivered via a variety of interactive, creative and impactful ways, including gamification, case studies, and online learning handled by world-class local and international faculty.

DELIVERABLES

Participants will be required to complete individual and group assignments to illustrate commitment to personal and business transformation

**FACULTY AND
INDUSTRY
SPECIALIST SPEAKERS**

Local and world-class faculty deliver the programme ensuring vigorous, current and relevant online discussion. Students are expected to prepare, participate and debate topics covered in the programme
